Curious Facts from the Census .- A writer in one of the New York religious papers is comparing the census returns in regard to the prevalence of insanity, between the whites and the blacks, and the relativs proportion. The facts adduced show that insanity is greatest among the free blacks. In the State of Maine every fourteenth colored person is an idiot or a lunatic. And though there is a gradual improvement in the condition of the colored race, as we proceed west and South, yet it is evident that the free States are the principal abodes of idiocy and lunacy among them. In Ohio there are just ten colored persons who are idiots or lunatics. where there is one in Ken'ucky. And in Louisiana, where a large majority of the population is colored, and four-fifths of them are slaves, there is but one of these unfortunates to 4,309, who are sane. The proportions in other States, according to the census of 1840; are as follows: In Massachusetts 1 in 43; Connecticut 1 in 185; New York 1 in 257; Pennsylvania 1 in 256; Maryland 1 in 1,074; Virginia 1 in 1,309; North Carolina 1 in 1215; South Carolina 1 in 2,440; Ohio 1 in 1,05; Kentucky 1 in 1,053. This is certainly a very curious calculation and indicates that diseases of the brain are far more rare among the slaves than among the free of the colored race.

ASTHMA OF THIRTY YEARS STANDING.

A STIIMA OF THIRTY YEARS STANDING.

Mr. Seth W Fowle:

Str.—Having been afflicted for more than thirty years with the Astlana, at times so severely as to incapacitate me from attendance to business, and having adopted many medicines without any but temporary relief. I purchased, about three years since, of Mr. Edward Mason, your ment in this city, several bottles of Wistar's Balsam of Wild berry, from the effects of which I obtained more relief than from all the medicines I had ever taken for that distressing disease. I have by the repeated use of your valuable Balsam, been more free of pressure for breath and oppression on the lungs than I anticipated, and indeed conceive myself curod of the most disheartening malady. I do must cheerfully tender you this acknowledgment which you will use as your indigment dictates. ed ment which you will use as your judgment dictates.
